The amount of \$100.00 has been charged to your credit card.

The Servicemembers Civil Relief Act Centralized Verification Service is now researching the information. Unless a delay is referenced above, our email response will arrive within 24 hours, if a social security number was provided. Note that U.S. Defense Department system delays will affect response time.

Affidavits are sent out the same or following business day (either by mail or by Federal Express, as you may have selected).

Affidavit: You selected *DC Superior Court*. It will be sent via *Regular Mail*. A copy of the affidavit will be e-mailed to you. You may always change the default settings for affidavits in "My Account" or order on the check-out screen. The cut-off is 3pm EST workdays only for next day delivery.

Thank you.
