## Moving?

Coordinating a customer move may take up to 30-days. Please send an email to: [servicedelivery@tpx.com](mailto:servicedelivery@tpx.com) to schedule your move.

## Telemarketing

Business customers who engage in telemarketing must comply with the FCC's Telemarketing Sales Rules and the National Do Not Call regulations. Under these rules, telemarketers may not block the Caller ID display of their name/number and are required to search the Do Not Call registry at least once every 31 days and drop from their call list the phone numbers of consumers who have registered. Register your organization at <http://telemarketing.donotcall.gov>.

## Explanation of Deniable/Non-Deniable Charges

The total amount of your invoice may include both basic telephone service charges and non-basic charges. Failure to pay basic charges may result in disconnection of your telephone service for nonpayment. Non-basic charges are those charges which are indicated by an asterisk (\*) on your invoice. Failure to pay non-basic charges appearing on your invoice will not result in disconnection of your telephone service but may result in collection action. You are responsible for payment of all charges on your invoice.
