HOW TO READ YOUR INVOICE

</

- States the date payment is due to **WM**. Anything beyond that date may incur additional charges. Your Total Due is the total amount of current charges and any previous unpaid balances combined.
- Previous balance is the total due from your previous invoice. We subtract any Payments Received/Adjustments and add your Current Charges from this billing cycle to get a Total Due on this invoice. If you have not paid all or a portion of your previous balance, please pay the entire Total Due to avoid a late charge or service interruption.
- Service location details the total current charges of this invoice.
