The New 329 Area Code is Coming to the New York 845 Area Code Region

To ensure a continuing supply of new telephone numbers, the New York Public Service Commission has approved an all-services area code overlay for the 845 area code region. The 845 area code serves all or parts of Columbia, Delaware, Dutchess, Greene, Orange, Putnam, Rockland, Sullivan, and Ulster counties, including a portion of Westchester County. The new 329 area code will serve the same geographic area currently served by the existing 845 area code.

What is an Area Code Overlay?

An overlay is the addition of another area code (329) to the same geographic region as an existing area code region (845). The overlay does not require you to change your existing area code or phone number, or how you dial your calls. You will continue to dial the area code and phone number for all local calls, as you do today, within and between the 845 and new 329 area codes.

Who will be affected and when does the new 329 area code become effective?

Beginning March 24, 2023, customers in the 845 area code overlay region may be assigned a number in the new 329 area code when they request new service or an additional line. Customers receiving a 329 area code will still be required to dial the area code and phone number for all local calls, just as customers with telephone numbers from the 845 area code do today.

What will you need to do?

Customers in the overlay region should:

- Continue to dial 10 digits for all local calls, including calls within the same area code.
- Continue to identify your telephone number as a 10-digit number, and include the area code when giving the number to friends, family, business associates, customers, etc.
- Ensure that all services, automatic dialing equipment, or other types of equipment recognize the new 329 area code as a valid area code and continue to store or program telephone numbers as 10-digit numbers. Some examples are: stored telephone numbers in contact lists in wireless phones, PBXs, fax machines, Internet dial-up numbers, speed dialers, call forwarding settings, voicemail services, medical alert devices, safety alarm security systems and gates, ankle monitors and or other similar equipment.
- Check items such as your website, personal and business stationery and printed checks, advertising materials, contact information, and your personal or pet ID tags to ensure the area code is included.

What will remain the same?

- Your telephone number, including current area code, will not change.
- The price of a call, coverage area, or other rates and services will not change due to the overlay.
- What is a local call now will remain a local call.
- You will continue to dial 10 digits for local calls within and between the overlay area codes, and 1+10 digits for long distance calls.
- You can still dial just three digits to reach 911 and 988, as well as 211, 311, 411, 511, 611, 711, or 811 if those are currently available in your community.

Who may you contact with questions?

If you have any questions regarding information provided in this notice, please call Verizon at 1.800. Verizon (1.800.837.4966) or access the following websites for more information: verizon.com/areacodes or the New York Public Service Commission website at https://www3.dps.nv.gov/W/PSCWeb.

Customer Notices

Your Choices to Limit Use and Sharing of Information for Marketing

You have choices about Verizon's use and sharing of certain information for the purpose of marketing new services to you. Verizon offers a full range of services, such as television, telematics, high-speed internet, video, and local and long distance services.

Unless you notify us as explained below, we may use or share your information beginning 30 days after the first time we notify you of this policy. Your choice will remain valid until you notify us that you wish to change it, which you have the right to do at any time. Verizon protects your information and your choices won't affect the provision of any services you currently have with us.

Customer Proprietary Network Information

Customer Proprietary Network Information (CPNI) is information available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. If you don't want us to use or share your CPNI with our affiliates and agents for this purpose, let us know by calling us any time at 1.866.483.9700.

· Information about Your Credit

Information about your credit includes your credit score, the information found in your consumer reports and your account history with us. We may share this information among the Verizon family of companies for the purpose of marketing new services to you. If you don't want us to share this information among the Verizon family of companies for the purpose of marketing new services to you, let us know by calling us any time at 1.844,366,2879.

Electronic Fund Transfer (EFT)

Paying by check authorizes us to process your check or use the check information for a one-time EFT from your bank account. Verizon may retain this information to send you electronic refunds or enable your future electronic payments to us. If you do not want Verizon to retain your bank information, call 1.888.500.5358.

Service Providers

Verizon NY provides regional, local calling and related features, other voice services, and Fios TV service, unless otherwise Indicated. Verizon Long Distance provides long distance calling and other services identified by "VLD" in the applicable billed line item. Verizon Online provides Internet

Primary Phone: 718-486-6740

Account Number: 756-979-363-0001-43

Bill Date: February 15, 2023

service and Fios TV equipment. Fios is a registered mark of Verizon Trademark Services LLC.

Late Payment Charges

To avoid a late payment charge of \$5 or 1.5% of your total due, whichever is greater, full payment must be received before Mar 20, 2023.

Restatement of Charges

This chart restates your charges by category. Basic includes local telephone service, related taxes, fees and installation charges. To help you maintain your local service when you can't pay your bill in full, Verizon applies your payment first to Basic. If you don't pay your Basic New Charges each month Verizon could disconnect your local telephone service. If you don't pay Non Basic New Charges, Verizon won't disconnect your local telephone service but these services may be suspended.

Category	Past Due 1	New	Total
Basic	.00	9.78	9.78
Non Basic	.00	81.49	81.49
Total	.00	91.27	91.27

Services

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy service. You should not pay pre-bankruptcy amounts; they are for your information only. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

Blocking of Third Party Charges Available

You can block third party charges to your Verizon bill. Visit verizon.com/blocking or call 1.800.VERIZON (1.800.837.4966).
